## Rutland County Humane Society

A great day of golf can have lasting benefits to the animals of Rutland County.

Participation in the Fall Foliage Golf Tournament provides the much needed funds to help care for the over 1,400 animals who come to the shelter each year. It also helps us provide our community with the information it needs in caring for and preventing abuse of animals.

The Fall Foliage Tournament has become one that area golfers look forward to and enjoy at the end of each golfing season.

Join us this year and see how much fun a good deed can be.
